

## BRITISH WORKERS ARE ASKED TO BOYCOTT THEIR "ARF PINT"

Transport Union Says Brewers Have Cut Wages but That Beer Is Still Up.

Copyright (New York Evening World) by Press Publishing Company, 1922.  
LONDON, Feb. 17.—A trade union boycott of beer as a protest against the threat to reduce the wages of brewery employees, especially as the prices of the brew do not come down, is threatened in a resolution adopted unanimously at a conference of the National Transport Workers' Federation.  
As a result the members of the

Federation and trade unions generally will be asked to boycott beer. Whether the "honest British workman" will forsake his "arf pint" in the interests of unionism is a question which is met with considerable scepticism on both sides of the bar. For despite its high price, beer is still the cheapest form of intoxicant on the market.

If individual unions decide to boycott the brewers it will create an embarrassing situation in some London

districts. Here there are no union halls or offices, and it is the custom "pub" where the dryness of the proceedings can be mitigated with beer and the Chairman's remarks are interrupted with shouts of "Fill 'em up again, George."

## 6,000,000 ACRE LAND SALE MADE IN MEXICO

American Mining Man to Open Huge Tract for Farming.

EL PASO, Tex., Feb. 17.—Virtual completion of one of the largest private land deals in the history of Mex-

ico came to light here yesterday when A. J. McQuatters, President of the Alvarado Mining Company, announced the purchase of the six-million acre estate in Chihuahua of Gen. Luis Terrazas, former governor of Chihuahua. The land, in two pieces, consists of more than 9,000 square miles. The northern boundary is approximately 50 miles south of the American border and the southern boundary about 100 miles south of Chihuahua City. During the revolution the property was confiscated, but recently was restored to the owner by President Obregon. It is the purpose of the syndicate represented by Mr. McQuatters to resell the land to small farms and ranches.

## 6,000,000 CHINESE FACE DEATH BY STARVATION

Floods Wipe Out Big Part of Rice Crop in Shanghai Area.

SHANGHAI, China, Jan. 19 (Correspondence of The Associated Press).—More than 6,000,000 people are facing starvation in the Province of Kiangsu, in which Shanghai is located, and Chekiang and Anhwei, according to estimates compiled here. Unprecedented floods which wiped out 20 per cent. of the rice crop in these districts are blamed for the food shortage. The prospective famine of 1922 follows that of 1921 which covered Kiangsu, Chekiang and Anhwei as well as other provinces.

An appeal for aid issued by the China International Famine Relief Commission points out that it is not going to be an easy matter to obtain relief funds for the second famine, "especially when we know that several millions more were collected in 1921 in Government famine surtaxes than were expended by the Government on famine relief."

(From the Indianapolis News.)  
It never seems to have occurred to some men that to demand \$1 for 50 cents' worth of work is profiteering.

## ARMS, AS BEEHIVES, RUN INTO PALESTINE

Breaking of Box Reveals Automatic Pistols and Ammunition.

HAIFA, Palestine, Jan. 23 (By Mail).—Accidental discovery of a consignment of several thousand automatic pistols and 25,000 rounds of ammunition, which were being smuggled into Palestine in boxes supposed to contain tins of condensed milk, has tended to revive the bitter feelings between the Arabs and Jews. Ninety-six boxes were being unloaded when one of them broke, revealing the weapons and ammunition. The whole consignment, addressed to Jews, was seized. The head of the Jewish Co-operative Workmen's Association at Haifa and a noted Jewish lawyer at Jaffa were arrested. Zionist leaders have disavowed all responsibility and condemned the incident.

RELIEVE MARINES IN NICARAGUA.  
MANAGUA, Nicaragua, Feb. 17.—A contingent of American marines has arrived here to replace the force at Campo Marín, near here. The change is being made because of recent clashes between the marines and the Nicaraguan police in which several lives were lost.
